### Who we are

The Quinte Skyhawks are a national level football program, offering young athletes in Southeastern Ontario aged 17 – 23 who are passionate about the game an opportunity to continue playing football at the next level of competition.

**“The best place to play football and get your education is right here, at Loyalist College.”**

**- Jacoby Dillon,  
Defensive Back,  
First-year Police  
Foundations student**

### Where we can take you

Playing for the Quinte Skyhawks offers athletes the opportunity to do what they love while also pursuing a postsecondary education.

Loyalist College, located in Belleville, Ontario, is perfectly positioned between Toronto, Ottawa and Montreal. Our strategic location creates an opportunity for student athletes from across the province and country to train and compete in our newly renovated Destination College campus facilities, while also receiving the quality education for which we are known.

Players who come to us from away will quickly feel right at home in our small tight-knit campus community and will find Loyalist College to be the perfect destination for their postsecondary education.

### Canadian Junior Football League

The Canadian Junior Football League (CJFL) offers players who are passionate about the game the opportunity to compete at the next level.

The CJFL has been in existence since 1974. The league has offered young players the opportunity to play postsecondary football and has been a major step for many players into USports, CFL and other professional leagues. There are three Conferences (Ontario, Prairie and West Coast) represented by 19 football teams with the season culminating in the annual Canadian Bowl.

### Quinte Skyhawks

Quinte Skyhawks was established in 2017, bringing U16 and U18 football to the Quinte region. The Quinte Skyhawks quickly developed a program that is known for its great game day atmosphere and putting a competitive team on the field.

Since adding the U22 team, they have strengthened their reputation and have made their mark in the football community by putting southeastern Ontario on the map as a prominent location for CJFL competition in Canada.

In their inaugural season, many players were distinguished on the stats leader board both on the offensive and defensive side of the ball, with players winning prominent Conference awards and CFL combine invitations!

### Consider becoming a Skyhawk

We are currently recruiting players, 17 to 23 years old, to join the Quinte Skyhawks Junior Football team.
